ACCESS/SERIES M

INSTALL THE CASE NOW AND THE SCREEN LATER

FEATURES

The Access is the most versatile ceiling-recessed screen on the market. No other projection screen lets you install the case during construction and the viewing surface at a later date to eliminate job site damage. *See page 6 for details.* Access/Series M is a spring-roller operated screen with your choice of viewing surface: Matt White, Glass Beaded or High Contrast Grey.

Available in **AV Format** from 50″ x 50″ to 96″ x 96″; **NTSC Format** from 6′ to 10′; **HDTV Format** in 92″ and 106″; and **WideScreen Format** in 99″ and 108″.

OPTIONS

- **AutoReturn Roller—**The screen unrolls in the conventional manner, then slowly and gently retracts after a simple tug on the handle. *See page 32 for details.*
- **Extra Drop—**Up to 12′ overall height, either white or black (white is standard in AV format; black for others).
- **Black Masking Borders—**Optional in AV format, standard for other formats.
- **Aluminum Operating Pole—**Choice of two sizes: 4′ and 6′. Use in place of the factory-furnished pull cord.

APEX

THE FIRST SPRING-ROLLER SCREEN WITH AUTOMATIC CEILING CLOSURE

Unocal, Stafford, TX. Dealer: CCS Presentation Systems, Houston, TX. Photography: © Barry Champagne, Houston, TX.

FEATURES

The Apex is the first manually operated screen expressly designed for concealed installation. Extruded aluminum case installs above the ceiling. The Apex features a white closure panel at the bottom of the screen surface which seals the ceiling opening when the screen is retracted. Trim flange surrounds the perimeter of the screen case to finish the installation, whether in a suspended or drywall ceiling. Bottom of case and closure are finished in ceiling white. Your choice of a conventional viewing surface: Matt White, Glass Beaded or High Contrast Grey.

Available in **AV Format** from 50″ x 50″ to 96″ x 96″; **NTSC Format** from 6′ to 10′; **HDTV Format** in 92″ and 106″; and **WideScreen Format** in 99″ and 109″. Custom sizes available by quotation.

OPTIONS

- **Extra Drop—**Up to 8′ overall height (white is standard in AV format; black for all other formats).
- **Black Masking Borders—**Borders are optional for Apex in AV format, standard for all other formats.
- **Control Options—**Aluminum Operating Pole is furnished in one of two sizes: 4′ and 6′.
